HARBOR BUT IDLE TALK UNTIL SOMEBODY ACTS

[EDITORIAL]

It is almost impossible to turn to an issue in the volumes of yesterday without repeatedly running across items telling of Redwood City's ambitions to take advantage of the industrial and harbor lands at the waterfront. It makes no difference if the history is 15, 25, 50 or 75 years ago—the theme is the same. It is, in fact, the same today.

The record is one to challenge the leaders of today. The question is, "Have we no greater force or intelligence than the pioneers, and do we lack the vision, as well?" Are we so foolish that we will longer sit back and wait for the other cities to build this project for us?

Certainly the day has arrived when Redwood City must resolve to assert itself if it is ever to take advantage of its seaport and industrial lands. The people today, more so than ever, are alert to the possibilities, but the people cannot act without forceful leadership. Have we that leadership in our present city administrators? Or must we wait another decade? Another generation?

Leadership, once exerted, must be met by co-operation if the city is to go ahead with its seaport development. In that co-operation, all the forces which hold interests in the waterfront must do their share. If there is no united front for the common good, there is likely to be benefits for none.

If the owners of the vast waterfront lands ever expect to realize anything on their holdings, the price of that small acreage which the harbor project needs for a foothold must be reasonable; the cement plant, since it is to benefit from the dredging, must co-operate by making available the materials, either donating them or providing them at cost; the City of Redwood City, chiefly interested in the development, must provide some of the cash; the County of San Mateo, which has potential taxes in the vast, idle tidelands, must take an active interest; the City of San Jose, which is looking for a sea outlet, should lend its aid in the apparent unfortunate doom of its own undertaking, and the WPA, as the government agency handling public relief projects, should supervise the project and finance it to a large extent.

There is nothing in this proposal which is unreasonable or impossible. It takes only the right leadership to work it out. And the people, looking for that leadership, have a right to expect that those to whom this responsibility has been entrusted will respond.

[From Redwood City Tribune of October 29, 1935]

3 Are Injured As Autos Crash At Corner Here

Three Redwood City residents, one a 4-year-old girl, were injured shortly before 1 o'clock on Wednesday when two machines collided at the corner of James and Hudson streets.

Most seriously hurt was Miss Jean McMullen, 31, housekeeper, living at the home of S. D. Tinker, 25 Hudson street. She suffered internal injuries, a fractured skull and possible broken back, local doctors reported before sending her to Mills Memorial Hospital. She was driver of one of the machines.

The child injured was little Mary Lou Tinker, 4. She suffered bruises and severe facial cuts.

Driver of the other machine was Walter Parson, 17, of Quartz avenue. He was unhurt, but his companion, Frank Vresburg, 16, of Topaz avenue, suffered a cut nose.

BILLBOARD LAW SOUGHT
Property owners of Ben Lomond and Brookdale are organizing for action to preserve the scenic beauty of their region from the summit of the Saratoga Gap to the City of Santa Cruz, and plan to seek some regulation to prevent "unwarranted display of signs and disregard of property set back."

Education Week Plans Are Made In Schools Here

Preparations for "Education Week," November 11 to 17, are going ahead with selection and training of speakers and planning of programs at Sequoia and McKinley schools.

Students of the high school public speaking classes under the direction of Alberta Reibenstein are to be coached for speeches they will deliver before various city groups during this week. Special speakers also will be invited to address assemblies Tuesday and Thursday of this period.

A special program will be held November 15 at McKinley. Earl Whitaker is in charge.

Next issue of the Sequoia Times November 5 will be devoted to educational subjects and will be a "special issue," according to Miss Louise Watkins, journalism instructor.

1936 Master De Luxe and Standard Chevrolets are Replete with New Features

New Master De Luxe and Standard Chevrolets for 1936 show marked advances in appearance and in engineering. Perfected hydraulic brakes, high-compression engines with full-length water jackets, and balanced carburetion are among the mechanical improvements. The solid steel Turret Top Fisher body is now used on the Standard as well as the Master De Luxe models.

Either Knee-Action or conventional springing may be had in the Master models. The illustrations show: Top left, the Master De Luxe sedan, with built-in trunk; top right, the re-styled, deeply moulded grille, used on all models; lower left, the simple arrangement of Chevrolet perfect hydraulic brakes, all models; and, lower right, a Standard sedan.

BOARD VOTES TREASURYSHIP TO SAGEHORN

Unanimous Vote Cast
For Burlingame
Bank Manager

In brief action which found the board in accord, A. H. Sagehorn, San Carlos resident and Burlingame branch bank manager, Monday was named county treasurer by the supervisors.

Sagehorn, backed by 21 years experience as a banker, was supported for the post by County Executive Walter Kellogg. The motion appointing him was put by Supervisor Walter High, Burlingame, and was seconded by Supervisor Fred Beer, San Mateo. All five votes were favorable to Sagehorn.

Kellogg introduced Sagehorn and he thanked the board for the appointment. He said that his deputies had not yet been selected. It is believed that Jenkins might be retained as chief deputy.

LOBITOS BRIDGE REPORT FILED
Inspector Harry Arnold filed a report on the Lobitos bridge project giving the cost as \$5142, as compared to \$3500 estimated by County Engineer Carl Scott.

Arnold, in another report, asserted that some 11,800 more feet of lumber had been charged as contained in five additional structures than assertedly had been used. He said this 11,800 extra feet represented about \$550 in value. The report was called "very interesting" by Supervisor Albert Witt Jr. Upon his motion, the Arnold reports were forwarded to the grand jury.

BACK WOODSIDE ROAD PROJECT
Other actions included: Agreed to pay \$601 additional toward Unit B of the Woodside road ditch project so it can proceed, after Mayor Charles Lambert had voiced the appeal.

Menus for Day Newest Feature In The Tribune

To meet the request of Redwood City housewives for a daily menu suggestion expressed in connection with the annual cooking school just concluded, The Tribune has begun a "Menus of the Day" column edited by Mrs. Alexander George.

The problem of what to cook today will be met in a measure by Mrs. George's suggestions. We hope Redwood City housewives like the feature, for if so, it will be continued indefinitely.

Ross Describes Russian Poverty To Exchangites

Fearful slavery which he declared existed in Russia in its worst form will eventually lead to a new revolution, Hall C. Ross, prominent Redwood City attorney, declared Tuesday in a talk to the Exchange Club at the Hotel Sequoia.

"I never saw a smile on a face in Russia," he said, describing visits to Leningrad and Moscow, and this despite the obvious attempt to "put up a good front for tourists."

Russia, he said, lives in the midst of "a reign of terror," with poverty and filth everywhere, but with the Soviet rulers evidently "having a good time."

Ross, who was accompanied by Mrs. Ross, left in June on a trip which took them to Iceland, Norway, Sweden, England, North Scotland, France, Holland and Belgium. The trip included a visit to Ross, ancestral abode, in North Scotland.

Pres. Harold Anderson introduced the speaker.

'PACKED JURY' REMARK IRKS INQUISITORS

Ella Chase Called Up
But Asks Proof
She Said It

To accuse the county's inquisitorial body of being a "packed jury" is risky business, Mrs. Ella Chase, Lomita Park secretary of the Taxpayers Protective Association learned Tuesday night.

For after she supposedly made such a remark at the supervisors' meeting Monday, she was subpoenaed to appear and explain just what she meant.

Ed Weisenburger, jury member who presented the body's recommendation Monday that County Engineer Carl R. Scott be suspended, explained that he was the one who had Mrs. Chase called in.

"I felt the remark was a reflection on the integrity of the jury and on me, and I wanted an explanation," he said.

The jurors reported Mrs. Chase refused either to affirm or deny she made the statement. Nor could the jury learn if she had the facts to back it up, members said.

They reported Mrs. Chase demanded that the jury confront her with a written statement as to what she had said. "Then she said she would say whether or not she said it," one juror explained.

SEWER GRANT SECURED

(Special to the Tribune)
SAN MATEO, Oct. 28.—A telegram was received today at the San Mateo city hall from City Manager E. P. Wilsey, now in Washington, that he had secured an additional \$3200 grant for the San Mateo sewer project. Wilsey stopped at Washington returning from the city managers' convention at Knoxville, Tenn.

Longshoreman Dies in Crash On Coast Road

Companion Seeks Aid
After Machine Rolls
Down Embankment

Crushed beneath his machine which overturned on Butano road, Pescadero, Pedro Jacobson, 35, San Francisco longshoreman, was dead Monday as the result of an accident at 2 o'clock Saturday night when the car plunged over a 15 foot embankment.

Old Johnson, also of San Francisco, who was riding with Jacobson and had his front teeth knocked out in the accident, climbed up the bank and walked along the highway until he met Al Cardoza of Pescadero returning from a card party.

Cardoza called Manuel Dutra Half Moon Bay deputy coroner, who took charge of the body and later transported it to a San Francisco funeral parlor.

According to Coroner William F. Crosby's report, the car was apparently speeding, failed to make a turn and plunged over the embankment. Jacobson, an officer, reconstructed the accident, was thrown clear but the machine rolled on top of him. He is survived by his widow, Mildred. He was a native of Denmark.

LOCAL WOMAN HURT

In a collision Saturday afternoon at Marshall street and Midfield road intersection, Mrs. John Borges, 409 Brewster street, Redwood City, suffered cuts on her forehead and right arm. She was riding with Mrs. Lee Robart, according to police reports, when their machine collided with one driven by L. P. Viscarra, 1474 Oxford avenue.

When cars driven by Mrs. Regina M. Engels, 27, San Francisco and Mrs. Blanche Scherer, 25, San Jose, collided on the Bayshore at the Dumbarton road intersection at 6 p. m. Sunday, Mrs. Engels suffered an injured foot and a Mrs. McCarthy, riding with her, incurred abrasions.

CROCKER TAX LEVIED

Under terms of a compromise agreement between heirs and the State of California, legatees of the late Ethel W. Crocker, who died July 21, 1934, leaving an estate valued at \$1,649,150 to relatives and friends, will pay \$58,180.56 in inheritance taxes. The agreement was approved today by Superior Judge Maxwell McNutt.

Definite Action On Scott Status Due on Friday

Grand Jury Secretive
As to Intentions
On Engineer

With the grand jury announcing that "possible definite action" in the engineering controversy may be expected when it meets again this afternoon and Dist. Atty. Gilbert Ferrell joining County Manager Walter Kellogg in expressing confidence that this week will see the end of the dispute, the long drawn out contest over the office apparently was moving towards a climax today.

The grand jury's announcement came at the close of its meeting Tuesday night.

When pressed for an explanation of what was meant by "possible definite action," Juror Ed Weisenburger refused to elaborate other than to say that "one other angle" besides civil or criminal procedure might be considered.

To a question as to whether the jury's recommendation to the supervisors Monday that County Engineer Carl Scott be suspended and ousted proceedings undertaken at the end of the week in action and that only possible criminal action remained to be considered, Weisenburger, spokesman for the press committee, only smiled.

No subpoenas have been issued for the meeting, called for 1:30 p. m., Weisenburger said. The engineering committee will report, and the case considered thoroughly.

FERRELL ALSO SECRETIVE

Ferrell likewise would not elaborate on his statement that he felt assured the controversy would end before the week is out, but it was believed he had in mind the coming action of the grand jury, since he attends all sessions.

Possibility that Scott might resign his position to end the dispute peacefully was vigorously refuted by the engineer himself and his counsel, Attorney Fred Comba.

Instead, they girded themselves even more for a battle by submitting to the board of supervisors a list of relief projects worked up by the engineer's office, in answer to the oft-made charge of Scott's foes that a special WPA bureau was needed to prepare projects for submission to the federal government.

BULLOCK AWAITS 'CLOAK'

Of the projects, five have been approved and funds allotted; three have been submitted to County Manager Kellogg for approval, and a number of others are ready for submission, according to the report.

Kellogg himself was not in his office today, but yesterday declared he believed settlement of the engineer case would be reached Monday.

Attorney Joseph J. Bullock, retained by the supervisors to prefer and prosecute charges against Scott, said today he still was awaiting deputization by District Attorney Ferrell before taking action. Ferrell said he had not changed his stand since Monday when he refused Bullock's request.

FIREMEN SEEDY *** Just Look at Names! *** ONLY FOR DANCE

Redwood City firemen were getting out their harmonicas and fiddles today, and looking up their old duds, as plans were being made for the department's annual Halloween dance to be held Friday night in the firehouse, which for the occasion will more resemble a barn than city structure.

With baled hay piled high over the goorway and an old spring wagon in the front yard

reminiscent of a Halloween prank, the firehouse will be decked in rural style, with harness, kegs, anvils and what-nots for decorations.

On the committee for the affair, for which music will be furnished by the firemen's "Barnyard" orchestra, are Fred "Hiram" George, chairman; Gene "Eera" Pique, Edwin "Hank" Holmquist, Alan "Ebner" McKay, Willie "Seth" De-bendetti, George "Si" Locatelli, Richard "Zeek" Driven, Louis "Lem" Lodi, and Henry "Pappy" Tarrott, according to a notice posted on the firehouse bulletin board.

Fifteen girl students of India recently toured Europe.

MENLO PARK NEWS

The W. H. Weeden family were called to San Francisco last week by the sudden death of their friend, Mrs. Clarence Howard (Josephine Frombertz). Mrs. Howard spent her girlhood in this vicinity. Forty-three years ago she was bridesmaid for Miss Emma Buckbee when she was married to W. H. Weeden.

An added note of sadness is that Mrs. Howard's sister, Miss Rosa Lee Frombertz, was in an automobile accident and is in a Sacramento hospital.

Belle Haven Post of the American Legion sponsored a program for Ward No. 17 at the U. S. Veterans' Facility Friday.

The children of the Trinity Episcopal Sunday School held a costume Halloween party in the parish hall Friday night. About 40 children attended and enjoyed the movies, games and refreshments prepared for them by the Sunday school teachers.

Mrs. Frances Harris Stent gave a luncheon Sunday at her Menlo Park home for Mr. and Mrs. Walter Leeds of Los Angeles, who are visiting in the San Francisco Bay region. Peninsula friends invited were Mr. and Mrs. Evan Williams, Mr. and Mrs. Latham McMullin, Mr. and Mrs. DeLancey Lewis, Mr. and Mrs. Charles McCormick and Mr. and Mrs. Eli Weil.

Mr. and Mrs. Felix McGinnis and their family are off again, this time to Coronado and the San Diego fair. They returned to the peninsula last week-end after a

trip to Eastern cities.

The Menlo Park home of the Rev. Ralph Smith, rector of Trinity Episcopal Church, was the setting at 6 o'clock Friday for the marriage of Miss Peggy Buckley and John Felton Turner, both of San Francisco. Mr. Smith performed the ceremony in the presence of members of the two families. After a fortnight's honeymoon, Mr. and Mrs. Turner will live at Orinda. Mrs. Turner is a graduate of Menlo Park Convent of the Sacred Heart.

Mr. and Mrs. Clarence Postley will spend the month of November in Menlo Park with Mrs. Postley's parents, Mr. and Mrs. Augustus Taylor. When the Taylors move to town the last of the month, they will establish themselves for the winter at the Burlingame Club. The couple spent the summer in New York.

Mr. and Mrs. Charles Kaufmann of Menlo Park were given a surprise party Sunday by 30 of their friends in celebration of their 25th wedding anniversary. Among the guests were Mr. and Mrs. Ernest Ruchti of San Francisco, a brother and sister-in-law of Mrs. Kaufmann. Cards, dancing and refreshments were enjoyed. The Kaufmanns have lived in this community for 15 years.

Joseph Bigley, for the past five years flagman at the Oak Grove avenue crossing, has been transferred to the crossing at Maple street, Redwood City. Mr. Bigley gave efficient service to the public, there being no accident at that

ADDING BEAUTY TO BUSINESS

"Service stations, like the cars they serve, have passed out of the Model T stage and now are built as much for beauty as for utility," says the October issue of ARCHITECT AND ENGINEER, prominent western professional journal. Pacific Coast service stations are used to illustrate the great improvement in service station appearance. (1) Contrast the beauty of this 1935 station with (2) the ungainly pumps and general effect of a station which was a wow in 1920!

Western Auto Sale Extends To Saturday

As an expression of appreciation to Redwood City motorists for their enthusiastic reception of the new Western Auto Supply Company store at 2627 Broadway, the firm is continuing its pet-aquainted sale through Saturday, according to W. M. Babcock, local manager.

"The interest in our new store has far exceeded our expectations," he asserts. "Hundreds of local car owners have made their initial purchase with us and our new store has elicited nothing but words of praise from them."

"In addition to the scores of extra savings made available by the special prices of this sale, motorists will find that the regular low prices on all Western Auto merchandise offer them money savings values at all times."

Typical of Western Auto values are Western Giant tires, exclusively distributed by the necessary firm. They are said to offer exceptional savings to car owners, not alone because of their low price, but because of the extra miles of service that are built into them and the all-road guarantee which accompanies every tire.

"One proof of the value of Western Giant tires," says Babcock, "is the fact that there are more than a million in daily use. Hundreds of thousands of motorists have learned from experience that the quality of these tires is all that is claimed for them."

"The written guarantee, which varies from 12 months to two years, depending on the tire purchased, assures complete satisfaction, for it means full adjustment of any tire injury due to rim cuts,

30 Sugar Honey Maid Graham Crackers
1/2 teaspoon salt
4 teaspoons baking powder
3 tablespoons cocoa
3 egg yolks
1/2 cup sugar
1 cup milk
1 teaspoon vanilla
1/2 cup butter
3 egg whites
Crumble crackers fine and add dry ingredients. Mix beaten egg yolks with milk, vanilla and melted butter and add to dry ingredients. Fold in stiffly beaten egg whites and bake in hot waffle iron. 12 single servings.

DRUNK DRIVING CHARGED

under inflation, stone bruises, faulty brakes, blowouts and wheels out of alignment," the Western Auto manager states.

Local motorists are invited to visit the new store and inspect the value offered by these tires and the thousands of other articles of merchandise being offered by the firm. Among these things, in addition to the usual automotive equipment such as tires, oil and parts, home and car radios and camping and outing equipment.

Two Win Positions In Local Postoffice

Effective November 1 the Redwood City Post Office will have two new employees, a carrier and a clerk.

They are Gerald Shields, who will take over the letter delivery post, and Chester E. Fox, who will clerk in the new post office building, according to Postmaster Robert E. O'Connell Jr.

Both men have been substitutes for approximately the past six years and have served more than the 12,000 hours as substitutes which entitles them to the highest of the five ratings of postal employees.

Their employment was necessitated by shortening of working hours in the postoffice.

NOTICE OF TIME SET FOR HEARING PETITION FOR PROBATE OF WILL AND ASSIGNING ENTIRE ESTATE TO WIDOW.

No. 6957—Dept. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of JOSEPH O. FRIEDEL, also known as J. O. FRIEDEL, Deceased.

A document purporting to be the last will and testament of Joseph O. Friedel, deceased, having come into possession of said Superior Court, and a petition for the probate thereof and for setting aside the entire estate to the widow having been filed by Vivien Friedel, the widow of said deceased, with me, the Clerk of said Court, notice is hereby given that Monday, the 12th day of November, 1935, at 10 o'clock a.m. of said day, in Department No. One, at the courtroom of said Court, at the Court House, in the City of Redwood City, County of San Mateo, State of California, has been set as the time and place for proving the will of said Joseph O. Friedel, also known as J. O. Friedel, deceased, and for hearing the application of said Vivien Friedel for

Local Eagles Plan To Attend S. F. Meet

A delegation from the Fraternal Order of Eagles of Redwood City will journey to San Francisco tomorrow evening to attend a meeting in honor of Frank E. Hering, editor of the Eagles Magazine and representative of the order at Washington, D. C.

A banquet will be held at the Palace Hotel and immediately after the banquet a parade will form on New Montgomery street and march to the Eagles' auditorium at 773 Golden Gate avenue. A class of several hundred candidates will be initiated in honor of Hering's visit. Arrangements are

the issuance to her of letters testamentary and setting aside the entire estate to the widow, when and where any person interested may appear and contest the same.

GIVEN under my hand and the seal of said Superior Court this 18th day of October, 1935. (SEAL)

NOTICE OF TRUSTEES' SALE.

On Tuesday, the 18th day of November, 1935, at 10:00 o'clock A. M., at the front door of the County Court House in Redwood City, San Mateo County, California, ASA E. HULL, and C. M. DOWSE, trustees, said ASA E. Hull and C. M. Dowse having been substituted as trustees in the place of P. P. Chamberlain and J. L. Ross, deceased, will sell at public auction to the highest bidder for cash in lawful money of the United States the following described real property situate in the county of San Mateo, State of California, and known and described as follows, to-wit:

Lots 18 and 20 as designated on the map entitled "Re-division of Lots 1, 2, 3 & 4 Block 27 of Oak Knoll Manor near Redwood City, Calif.," which map was filed in the office of the recorder of the County of San Mateo, State of California, on September 5, 1919, in Volume 10 of Maps at page 25, to which said map and the record thereof reference is hereby made and the same made a part hereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by WILLEY H. MOULTHROP, also known as W. H. MOULTHROP, and GLADYS C. MOULTHROP, also known as

AAA HOG TAXES UPHOLD

LOS ANGELES, Oct. 29 (AP)—Hog processing taxes of the AAA were held constitutional today by Federal Judge Leon R. Yankwich. GLADYS MOULTHROP, his wife, as trustees, to P. P. CHAMBERLAIN and J. L. ROSS, as trustees for San Mateo County Building and Loan Association, a corporation, as beneficiary, dated August 8th, 1928, and recorded in Volume 335 of Official Records, page 492, San Mateo County records; that trustees have made default in the payment of principal and interest on said deed of trust and the promissory note secured thereby and in the payment of taxes on said real property, which default still continues.

Notice of breach of said obligation and election to sell said real property was recorded on January 21st, 1935, in Volume 646 of Official Records, page 68, said San Mateo County records, and more than three months from the date of the recording of said notice of default and breach and election to sell have elapsed.

This notice is given in compliance with the demand heretofore made on said trustees by San Mateo County Building and Loan Association, a corporation.

LEGAL

SUMMONS

No. 24993

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

ALICE GERTRUDE FOSTER, Plaintiff, vs. GUY LESTER FOSTER, Defendant.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo; and the complaint filed in said County of San Mateo in the office of the Clerk of said Superior Court.

The People of the State of California Send Greetings to:

GUY LESTER FOSTER, Defendant. You are hereby required to appear in an action brought against you by the above named plaintiff, in the Superior Court of the State of California, in and for the County of San Mateo, and answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this Summons, if served within said county, if served elsewhere within thirty days.

And you are hereby notified that if you fail to so appear and answer, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief de-

Stanford Calls Off Annual 'Raids' Here

Stanford students will not make their annual "raids" into Redwood City and "lift" fences, lumber, old crates and other articles which make up the annual bonfire.

Instead, student leaders decided today, Redwood City residents will be asked to save these articles and a house-to-house canvass will be made. Unfavorable criticism of the other practice has brought about the change of method, it was explained. The rally will be held November 21.

Witness my hand and the Seal of the Superior Court of the State of California, in and for the County of San Mateo, this 24th day of October, A. D. 1935.

E. B. HINMAN, Clerk.
By AMY R. HOLMES, Deputy Clerk.

REDUCED ELECTRIC RATES

TO OUR CUSTOMERS:

Pacific Gas and Electric Company is pleased to announce another reduction in electric rates amounting to approximately \$4,000,000 per year.

Beginning with January bills lower rates will become effective for household electric service, for commercial lighting, and for power service for large commercial and industrial establishments.

Of the \$4,000,000 represented by the reduction, \$2,000,000 per year will go to domestic customers, \$1,000,000 to commercial lighting customers, and \$1,000,000 to power customers.

The top lighting rate in incorporated cities and towns is lowered from 4.5 cents to 4 cents per kilowatt hour, and the second block from 3.5 cents to 2.5 cents per kilowatt hour, both blocks being slightly lengthened. Domestic customers who use 60 kilowatt hours per month, which is the average domestic consumption, will benefit by a 10.7 per cent reduction. In rural districts the rates for both first and second blocks are reduced one-half cent per kilowatt hour, these blocks also being somewhat extended.

A year ago, when we offered a special inducement rate to encourage increased use of electricity, we said, "It is our hope and expectation that this offer will so stimulate the use of electricity as to justify a reduction in the regular schedules." This hope has been realized. There has been a gratifying increased use which has helped to make possible the present reduction.

Increased consumption, however, does not tell the whole story. During recent months we have substantially reduced bond interest charges. We have consolidated properties and lowered operating costs. We have put economies into effect in every department. These savings we are now passing along to our customers in lower rates.

We are counting, too, on better business conditions and these reduced rates to stimulate greater use of electricity.

We are making this reduction despite continued increases in taxes, well illustrated by the fact that in 1934 the company paid \$1,146,000 more in taxes, federal, state, and local, than in the preceding year.

The trend of our rates is and always has been downward. Going back only eight years, the company in 1928 reduced its charges \$2,418,900 per year. This was followed in 1930 by another reduction of \$3,020,000 per year. This year customers will save \$1,600,000 through the temporary inducement rate. The present reduction will save an additional \$3,924,000 per year. These successive rate reductions will represent accumulated savings to our electric customers of \$54,621,000 by the end of 1936.

These new rates will enable our customers to enjoy greater electric comforts and conveniences. We are especially gratified to be able to reduce the cost of electric service at this time when general costs of living are steadily rising.
